Resolving Insolvency

State-of-the-art Doing Business 2019

- ✓ The Bankruptcy Act (No. ...) B.E. regarding bankruptcy and business reorganization cases was approved by the National Legislative Assembly resolutions in the Second and Third readings on 25 December 2017.
- ✓ The Bankruptcy Act (No. ...) B.E. regarding international insolvency in ongoing amendment.
- ✓ The Official Receiver is allowed to advertise Court's order or decision, or the Receiver's announcement or order through www.led.go.th.
- ✓ Information is transferred to Royal Thai Government Gazette via electronic system.
- ✓ Effort has been devoted to transform operator into 'regulator' (private official receiver).

Ongoing e-Service

- ✓ Mobile application was established to check the bankruptcy and business reorganization status (this service was available from November 2017)
- ✓ Database linkage system is developed to link 14 public sector registrars' data (in testing system).
- ✓ Database linkage system is developed between the Legal Execution Department (LED) and banks, and between the LED and the Central Bankruptcy Court (in consultation).
- ✓ Asset-Tracking System is initiated (this service will be available in 2018).
- ✓ E-Insolvency Case Management is strengthened (progress being made by adding data).

Previous Action of Doing Business 2018

- ✓ The voting procedures for the business reorganisation plan was changed to easily address the challenges in resolving insolvency.
